ABOUT US

Mathematics is the queen of all sciences and mathematics is the music of reason. The Department of Mathematics, University of Mumbai has adopted the New Education Policy (NEP 2020) since the academic year 2023-2024 and this will be continued for the academic year 2024-2025 as well. The syllabi have been designed accordingly and are a perfect balance between pure and applied mathematics.

Focus is also there on research at post graduate level itself in the form of research projects as well as on job training in order to enhance academic profiles of the students.

FACILITIES

- Classrooms and regular lectures
- Excellent Department Library
- Computer Lab
- Study Room
- Large number of elective courses
- NET/SET exam training
- Lectures by national and international experts on specialized topics.

KEY RESEARCH AREAS

- Algebra and Number Theory
- Analysis
- Applied Analysis
- Partial-Differential Equations
- Fluid and Solid Mechanics
- Discrete Mathematics
- Numerical Analysis
- Financial Mathematics

IMPORTANT ANNOUNCEMENT FOR SCHOLARSHIPS

Note 1: Applicants from scheduled castes, various backward classes and economically backward classes who have secured and confirmed their final admissions can avail the benefit under State government various scholarship/freeship schemes etc. by applying online through State Government

<https://mahadbt.maharashtra.gov.in/portal>

Note 2: For availing the prescribed benefit of scholarship/freeship schemes etc. the candidate must fulfill the scheme eligibility and submit online application through MahaDBT portal **within one month** from the date of securing final admission in the college/institution.
